

# MUSIC LIBRARY

*The Music Source for Content Creators*

## - Who We are -

- **Music Library** is one of the most influential independent Record Labels for "No Copyright Music".

We release any Music Genres or Styles ranging from Singer-Songwriter Pop Music to Lo-Fi Tunes over to EDM and Electronic Tracks.

- Founded in Germany in 2016, **Music Library** embraced the Music Trend of "No Copyright Music" to give content Creators around the World the opportunity to use quality Music in their Films & Videos.

Therefore we also became rapidly:  
**"The Label For Creators"**.

## - How We Work -

- We sign Music on an exclusive Basis to have the most Flexibility to promote and place the Music of our Artists.
- We produce the Release, design the Cover, do the Mastering on the Tracks and create unique Videos.
- We release the Music in over 100 Shops and Streaming Platforms worldwide.
- We promote the Music in Social Media and our own YouTube Channel.
- All mentioned Services are included in the Release Deal without any costs for our Artists.

## *- Our Pro-Motion -*

- Most Labels just upload the Artists' Music and release it. We understand that the real Work starts before and after Launching the Release – through PRO-MOTION.
- Promotion means for Us to contact all important Playlist Curators in specific Music Genres. By this We gain the maximum Attention and Algorithm Trackion in Shops we need for our Releases.
- We setup Social Media Campaigns in YouTube, Facebook / Instagram and TikTok.
- We submit the Release to our Blogger Network and Reviewers to achieve Articles and Press Feedback.
- We pitch the Music to our Youtube Network and Content Creators for getting the Release placed in VLOGs, Explainer Videos, Short Clips and Film Projects.

## - *The Cherry on the Cake* -

### **or: WHY WE ARE DIFFERENT TO OTHER LABELS**

- We have well Connections to YouTube Creators and the TV / Film Industry.
- We help to provide SYNC Deals to Movies, TV Shows, Video Games, Advertisements, Webcasts and APPs.
- We submit Our Releases to Shop Owners, Fashion Stores, Showcases and Events for getting Background Music Plays.

With these Actions We reach the Attention of a wider Audience for the Music of our Artists.
